Case No.: 2:13-cr-00239-JAD-PAL

**Order Expediting Briefing on
Government's Motion in Limine to
Preclude All Defendants from
Asserting an Entrapment Defense
(#101)**

15 This case arises from an ATF sting operation that resulted in the indictment of the three
16 defendants for conspiracy to possess with intent to deliver 10 kilograms of cocaine and carrying a
17 firearm during a drug-trafficking crime. Doc. 1. Trial is scheduled to begin on January 14, 2014.
18 On January 3, 2014, the Government moved to preclude all defendants from asserting an entrapment
19 defense. Doc. 101. The government argues that defendants cannot make out a prima facie case of
20 lack of predisposition as required to offer an entrapment defense at trial.

21 In light of the imminency of the trial, the Court hereby expedites the briefing schedule on this
22 motion and orders that Defendants **file their responses, if any, to the Government's Motion in**
23 **Limine to Preclude All Defendants from Asserting an Entrapment Defense no later than 2 p.m.**
24 **tomorrow, Friday, January 10, 2014.** The failure to file a response in opposition by this deadline
25 shall be construed as consent to granting the motion. The Court may hear oral argument on this
26 motion at the scheduled January 13, 2014, pretrial conference.

27 DATED January 9, 2014.
